

BUILT®

Since 2003, Built has developed products made from Neoprene. Built is a product innovation company.

Design is our passion, and we strive to reflect that in everything we do. Our goal is to make products that are effortless in use, delightful to experience, distinctive in appearance, and ingenious in their design.

All of our products are rigorously tested to ensure we are delivering the highest quality and safest products possible. All current lunch products are BPA free, Latex free and FDA food and safety tested.

GOURMET GETAWAY[™] INSULATING LUNCH TOTE

Versatile, lightweight neoprene lunch bag insulates for up to 4 hours. With its bucket shaped design, it stretches to fit an assortment of stacked containers, yet lays flat when not in use. The Getaway's sturdy zipper closure, soft grip handles and protective body make it a perfect tote for non-food items as well. The Gourmet Getaway[™] is strong and stretchy, so it packs a lot. The quality of this bag is evident in every detail of the design.

Features

- Tested for lead safety-no vinyl or PVC used
- Made from neoprene (the wet suit material)
- Insulates hot or cold food and beverage (up to 4 hours depending on external temperatures)
- Soft-grip handles
- Zip closure
- Stores flat

Care Instructions

Stain resistant, machine wash cold, drip dry
