

Janey Lynn's Designs, Inc. was founded by two women entrepreneurs with an idea that has sprouted an award winning kitchen and spa textile line. Each product in our line is unique from its counterparts on the market and a must try for anyone looking for a new spin on the old routine.

THE SHAGGIE®

Many years ago, when most Grandmothers did not throw anything away, Janey's Grandmother made potholders from an old cotton chenille robe and gave them to her as a wedding gift. Years later Janey used one to wipe a spill and the Shaggie® was born! The multi-purpose 100% cotton chenille Shaggie® is tough in action, yet gentle enough for babies. This super absorbent cleaning cloth holds ten times its own weight and even fits a swiffer mop for an eco-friendly solution.
