

# Magisso

Life is filled with small everyday problems: how to keep your drink cool in the sun, why making loose tea is always such a mess, and where the heck is your dish cloth? Sometimes it only takes one tiny thing gone wrong to derail your whole day. We want to keep you on track and make it easier for you. Best solutions grow from personal frustration.

When we established Magisso in 2008 in Helsinki, Finland we had a burning passion to make meaningful design and international business. Over 20 design awards later we still thrive from that same passion. For us every obstacle is an opportunity. We are driven by desire to solve problems and create beautiful designs.

## CAKE SERVERS

Perfect piece of cake, every time. With the iconic Magisso Cake Server cutting and serving your favourite cake is easier and more stylish than ever. All you need to do is press the Cake Server through a cake, squeeze it gently for lifting the piece onto your plate. Release the squeeze and get that perfect piece of cake upright on your plate. Made of stainless steel or food safe plastic and is dishwasher safe.

6430036080815

Simply press the center with your sponge for just the right amount of soap. Suction cup fitting for sinks or on the kitchen counter.

## PET WATER BOWLS

These water bowls keep water and food fresh for hours and limits bacterial contamination. Soak the Pet Bowl in water for 60 seconds to activate the natural cooling effect that will last several hours. Water bowls come in two sizes, medium and large. They are made of food safe ceramics, are LFGB and FDA tested, and are dishwasher safe.

### Water Bowl (Large)

**25343**

### Water Bowl (Medium)

**25344**  
6" diameter  
6 per case  
6430036080877

## PET FOOD BOWLS

These food bowls make the pet eat around the shape inside the bowl, slowing the process. This prevents over-eating and indigestion issues. The chewing phase is also prolonged which increases saliva production which is good for dental hygiene. Food bowls come in three sizes, small, medium, and large. They are made of food safe ceramics, are LFGB and FDA tested, and are dishwasher safe.
