## Sinkware

Sink Sets offer an inclined drainboard design that allows excess water to flow easily into the sink and include oversized flatware holders. Perimeter cup holders and a unique system of channeled grooves hold dishes in place. The Drainboard and Dish Drainer feature colour-accented rubber feet that prevent skidding and protect easily scratched surfaces. Dishpans are designed to fit standard single or twin sinks and offer durable, heavy-duty construction.

## STERILITE® Fresh Scent Storage Boxes

Fresh Scent Storage Boxes feature an innovative ventilation compartment that helps keep clothes smelling fresh. This unique product line is the ideal solution for seasonal or longer term storage, or when additional freshness is desired. A standard dryer sheet fits in the lid's ventilation unit where it works to eliminate unpleasant odors and ensure contents keep that "just-washed" scent when retrieved. The tinted bases and coordinated lid and latches give the Fresh Scent Boxes a refreshing appearance throughout the home.
