# 2015 NASCAR ILLUSTRATED HOLIDAY GIFT GUIDE

While this year's *NASCAR Illustrated* Holiday Gift Guide features select NASCAR-themed items for the Sprint Cup fan on your shopping list, we've branched out a bit and included a bevy of other interesting (and we think cool) items sure to be a hit.

—Adam Richardson

## Leatherman Tread

The respected Leatherman Tool Group recently introduced this stylish and wearable multi-tool. Crafted of high-strength, corrosion resistant stainless steel, each interchangeable link, if you look closely, features two to three different tools. All told, there are 29 wearable tools available at a moment's notice — tools like box wrenches and screwdrivers. The bracelet is available in either a stainless steel or black finish.
