When is a kitchen more than a place to cook? When it's a digital photo studio, test kitchen, and office, too. That's why Local Milk blogger Beth Kirby's renovation didn't miss a click

by Christine Muhlke

This seven-burner, two-oven Lacanche stove is both beauty and culinary beast.

Kirby's kitchen day.

"Marble has a way
of sort of writing
the history of your
cooking on it,"
Kirby says. Try **Crate

THINK SINK

Jersey Ice Cream
Co. scored Kirby's
vintage French
faucet on eBay.
Moen's Brantford
bronze faucet is
a sure bet, too.

SEEK AND FIND

Sourcing the right
objects, like this
Fox Run rolling pin
(\$12; amazon.com), is
a big part of Kirby's

job: "Pinterest helps.
Instagram helps.
Whenever I see
something I like,
I'm getting the
information on that!"

MAKE SPACE

Nesting bowls,
like this set from
Falcon Enamelware,
are shelf-savers.
There's even a
colander tucked
in there! \$118;

ALL THE WORLD'S A SET

"I wanted the surfaces and
backgrounds to be the style that
I like to photograph without
having to stage it, so I could just
cook as true as I cook and not
have to create this microcosm."
