THIS GEAR'S FOR YOU

1. BARBARIAN BAR TOOL

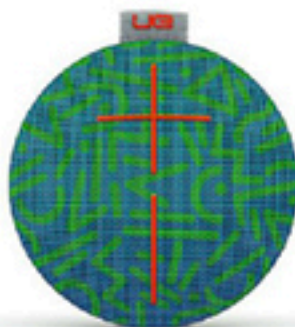

Functional and space saving mixology tool offers everything you need to create your favorite cocktails. Shaped like a citrus press and includes a jigger, zester, channel knife, bottle opener, citrus knife, can opener, corkscrew and lever. Designed to look timeless on any bar, eliminating clutter and time spent searching for your favorite tool. **\$59.95 | barbarianbartools.com**

2. FOGO

Multi-functional digital tool outfitted with a 1000 lumen auto-dimming flashlight, which if dropped will flash, making it easy to find on the ground in the dark. Features a digital GPS and walkie-talkie, which lets you communicate with other Fogo users. Smartphone app provides tracking and waypoint navigation using points of interest you synchronize via Bluetooth or USB. Software intentionally built around an open app allowing independent developers to design their own unique programs like synchronizing to other smart devices, including heart monitors and fitness apps. **\$299 | fogojo**

3. UE ROLL

Durable pint-sized wireless Bluetooth® speaker begs to have tunes played aloud while producing 360-degree crisp sound. Waterproof shell is designed for wet tailgates and other outdoor adventures with a 65-foot range and nine-hour battery life. Pair multiple Rols together using UE's complimentary iOS or Android apps and project sound over a wider space. Use the marine-grade bungee cord and fasten to your hammock, cooler, backpack, chair or gear bag. Available in five fun colors. **\$99 | ultimateears.com**

4. LANDER CASCADE SERIES POWER BANK

Portable universal power bank features Smart Charge technology with LED power indicator light and an auto-off energy saving mode. Plug in and power up your smartphone, tablet, Bluetooth speaker or E-cig. Each power bank comes pre-charged. Includes an Illumaweave reflective cable with a handy travel case for easy transport. Available in three sizes, starting at **\$34.99 | landers.com**

5. SEALLINE URBAN™ SHOULDER BAG

Stow and transport your gear in a bag constructed of a burly, waterproof 600D, urethane-coated polyester built to last in your fast-forward world. Quick-Clip™ closures allow for easy access to an external zip pocket, and an internal organizer keeps your gadgets at your fingertips. An internal divider and corner pockets add commuter-smart organization. Padded shoulder strap provides one-handed adjustability while being waterproof and ventilated for comfort. Available in five bold colors. **\$169.95 | cascadedesigns.com**

6. IRONWOOD GOURMET STEAK BARBECUE PLATE: COW

Carve or grill your BBQ on this large board made of Acacia wood, which keeps grilled food hotter for longer and has a groove around the perimeter to contain meat juices. Cow engraving shows the different cuts of beef. Wash in warm, soapy water and thoroughly rinse with clean water. Rejuvenate and protect the wood by rubbing with Butcher Block Oil. **\$23.99 | ironwoodgourmet.com**

7. EVAPCOOL PATIO PAL

An outdoor rolling beverage cooler with a 134-quart capacity and room for up to 154 drink cans, plus ice. Includes ergonomic grip handles for mobility and easy flip bottle opener in the lid of the cooler with magnetized bottle cap catcher. Removable cutting boards drop into the side handles. Bottom half of the unit has a built-in evaporative cooler, which features a 1/2 HP 115V, two speed motor with a 1000-sq.-ft. cooling area. Starting at **\$2,650 | luxoutdoorseries.com**

8. GSI OUTDOORS GLACIER STAINLESS 1 L VACUUM BOTTLE

Fill and transport 33 ounces of your preferred beverage to the tailgate. Made of premium 18/8 Glacier Stainless steel for added durability, this vacuum-sealed bottle will keep drinks hot for up to eight hours and cold for up to 15 hours. Pour-through stopper minimizes heat loss and spills, while the nonslip rubber bottom prevents tip-overs. Cap nested on top doubles as a cup, which makes for convenient sipping. Available in five bright colors. **\$34.95 | gsioutdoors.com**

9. P2200 POWERSMART SERIES™ INVERTER

Briggs and Stratton designed this inverter generator with camping and tailgating in mind. It is quiet, lightweight and provides efficient power. Take the conveniences of home anywhere including lights, fans, coffeemaker, laptop, TV—you name it. **\$649 | briggsandstratton.com**

10. SMOKEPRO SE PELLET GRILL BY CAMP CHEF

Create the taste of award-winning barbecue every time. Select your desired cooking temperature and let the electronic controls maintain it for you. Cooking temperatures range from 160°F to 500°F. **\$499.99 | campchef.com**
