2017 CATALOG

PREP. COOK. GRILL. BAKE ... ENTERTAIN .

PRESIDENT'S NOTE

Please note the new catalog format. Our graphics team did an excellent job in maximizing our pages to include all the items that you can get from Fox Run into one catalog. This includes all of our brands, such as Fox Run, Outset, Kitchen Art, Ironwood Gourmet, Farm to Table, Nantucket Seafood, Suzie Q and Bakelicious.

We also invite you to check out B2Q, our new lower price point BBQ line. Jarware will continue to have its own catalog.

Don't forget in the US our wholesale online ordering site is up and running to make ordering a snap. Best of luck in 2017!

A handwritten signature in black ink that reads "Sean Leonard". The signature is fluid and cursive, with the first name "Sean" and last name "Leonard" clearly distinguishable.

END GRAIN BOARDS

Besides being beautiful, end grain boards have even more advantages—both practical and cost-effective. Unlike traditionally made boards, end grain construction is less dulling to cutlery because the wood grain direction accommodates cutting instead of resisting it. (As the knife cuts, it slides into the direction of the grains instead of against them). Wear and tear is minimized on both cutlery and on the board, giving more longevity to all your cutting tools.

SLATE CHEESE BOARDS

HOW TO CLEAN YOUR SLATE

All of our products are treated and sealed to be food safe. Soapstone, chalk, crumbs, and liquids wipe off easily with a damp sponge or towel. Our cheese boards can also be washed with a sponge and dish soap.

Cutting on your slate is not recommended. Not dishwasher-safe.

CARING FOR YOUR SLATE

In order to preserve your slate cheese board for years to come, wipe it down with a drop or two of food grade mineral oil about twice a year. Mineral oil helps protect the integrity of the slate and maintains a slightly polished look.
