

AEGIR

If you love craft beer, you know the presentation of the drinks is just as important as the process behind it – the perfect brew must have its perfect vessel. In the past, outdoor drinking has compromised this companionship. Beer connoisseurs had to take the risk of bringing their glasses outside or pour their beloved brew into a generic plastic cup. This ends today. With the Aegir Unbreakable IPA Glass, we give the draft devotees the ability to drink where they please.
