6-97286-10181-3

The original Pebble Pattern, embossed into the product, serves several functions:

- **Air Flows** under baked goods for maximum even baking and browning
- **Healthier Baking** Doughmakers reduces the needs for oils, butter and shortening to grease the pan
- **Performance** Feel free to use a knife or metal spatula — scratches never affect the performance these pans are tough!
- **Commercial Grade 18 Gauge Aluminum** the choice of professional bakers. Aluminum heats up faster, cools down faster and bakes more evenly than any other surface. And unlike some competitors that use anodized aluminum which is just an aluminum coating, when scratched our pans don't have a steel interior which will rust if soaked in water.
- **Made with** a heavy gauge, recyclable aluminum. The patented, pebble pattern allows easy release.

**UNMATCHED EVEN BAKING AND BROWNING
MEANS PERFECT BAKED GOODS**
