---

YouCopia was founded in 2006 by father-daughter duo Mark and Lauren Greenwood. A product designer with 30+ years experience, Mark developed the SpiceStack, an award-winning spice rack concept that smartly organizes store-bought spices in the kitchen cabinet.

With more than 1 million sold, the success of the SpiceStack led to many more innovative ideas for the kitchen. Today, YouCopia offers busy home cooks solutions for organizing spices, coffee, tea, oil and vinegar bottles, food storage containers, pot lids, bakeware, cutting boards and more.

Our products are affordable, functional, easy-to-use, space-efficient and most important, unique to the market. We want to help people experience organization so they can live with less stress and more happiness.

Store bottles in dark, dry location to keep spices fresh. Rubber non-skid feet hold units securely in place. Durable ABS plastic wipes clean with a damp cloth. Stackable, no assembly required.
