PRESIDENT'S NOTE

We are very excited about our new assortment this year which included a new brand, Red Rover, of eco-conscious kid's plates, bowls and cups. Additionally, we have added significantly to two of our best selling categories: Ironwood pantry items and Outset Chillware bar accessories.

Make sure to check out our "Last Call" Section, to find great deals on items that are being updated or discontinued. An opportunity for more margin at retail!

Best of Luck in 2020!

AEGIR

If you love craft beer, you know the presentation of the drinks is just as important as the process behind it – the perfect brew must have its perfect vessel. In the past, outdoor drinking has compromised this companionship. Beer connoisseurs had to take the risk of bringing their glasses outside or pour their beloved brew into a generic plastic cup. This ends today. With the Aegir Unbreakable IPA Glass, we give the draft devotees the ability to drink where they please.

LONG GRAIN & END GRAIN BOARDS

Our prep boards add a level of sophistication sure to impress guests!

IRONWOOD™ CARVING BOARDS, CHOPPING & BUTCHER BLOCKS

Besides being beautiful, end grain boards have even more advantages—both user-friendly and cost-effective. Unlike traditionally made boards, end grain construction is less dulling to cutlery because the wood grain direction accommodates cutting instead of resisting it. (As the knife cuts, it slides into the direction of the grains instead of against them). Wear and tear is minimized on both cutlery and on the board, giving more longevity to all your cutting tools.

The original Pebble Pattern, embossed into the product, serves several functions:

- **Air Flows** under baked food for maximum even baking and browning
- **Healthier Baking** Doughmakers reduces the need for oils, butter and shortening to grease the pan
- **Performance** Feel free to use a knife or metal spatula — scratches never affect the performance. These pans are tough!
- **Commercial Grade 18 Gauge Aluminum** the choice of professional bakers. Aluminum heats up faster, cools down faster and bakes more evenly than any other surface. And unlike some competitors that use anodized aluminum which is just an aluminum coating, when scratched our pans don't have a steel interior which will rust if soaked in water.
- **Made with** a heavy gauge, recyclable aluminum. The patented, pebble pattern allows easy release.

**UNMATCHED EVEN BAKING AND BROWNING
MEANS PERFECT BAKED GOODS**

HOW TO CLEAN YOUR SLATE

All of our products are treated and sealed to be food safe. Soapstone, chalk, crumbs, and liquids wipe off easily with a damp sponge or towel. Our cheese boards can also be washed with a sponge and dish soap.

Cutting on your slate is not recommended. Not dishwasher safe.

CARING FOR YOUR SLATE

In order to preserve your slate cheese board for years to come, wipe it down with a drop or two of food grade mineral oil about twice a year. Mineral oil helps protect the integrity of the slate and maintains a slightly polished look.
